Hi again Maija,

We were wondering if it would be possible to reschedule the meeting to tomorrow Tuesday, between 13-14 or 14-15?

Sorry for any inconvenience!

Hi again,

We just double-checked with IT and Webex does work for us now after recent updates. So please ignore my last e-mail and let's do the meeting on wednesday through your Webex-link instead.

Kind regards,
Berfin

Thank you! However, unfortunately Webex does not work on our computers.

Hopefully the Skype link works for you, sometimes connecting through the web app-link seems to work better than through the main link.

Great, thank you!

Skype tends to work most of the times for us, but has its issues.

As alternative I could offer a Webex Call via this link
<https://appleinc.webex.com/appleinc/j.php?MTID=m1f8c31cf6e331b8b8f02fb6924782f9a>

Would this be ok too?

Apologies - this week is no longer possible.

I would be extremely happy to look for possibilities next week or after!

Thank you very much!

Dear Linn and Berfin

Unfortunately I can only hold Friday 10h-11h for this week.

I actually think the best way forward would be if one of you can hop on a call with me for a parallel calendar check.

We would really be interested in an exchange of views, and hope to find a pragmatic way forward.

Many thanks!

Dear Linn and Berfin

Please let me know
where you are available
this week to speak with
me and my colleague
Philip about the DSA.
The following times
would work for us: Wed
3 March 15h-16h; Fri 5
March between 10h and
12h

We would be glad if you
had 45 minutes for an
exchange of views how
the DSA could be
transposed in practical
terms.

Otherwise, do let me
know if I shall propose
times for next week!

Many thanks and a have

these are very busy
