Your request

You have requested access to:

1. Any non-disclosure agreement/confidentiality agreement which exists between your department (as well as SIDA) and Gavi, The Vaccine Alliance and/or The Global Fund to Fight HIV/AIDS, TB and Malaria, signed between 2010 and today.
2. Any copies of internal departmental communication, including emails and legal reviews, regarding these agreements.
3. Any communication between your department and Gavi and/or the Global Fund, or any of its agents regarding the above agreements.

My assessment

My assessment is that no documents can be disclosed to you as there are no such documents available.

The reasons for my assessment

A search for documents that correspond to your request has been conducted within the Ministry for Foreign Affairs. No official documents that correspond to your request have been found.

Requesting an examination by the authority

If you are not satisfied with the outcome of this examination, you may contact the Senior Registry Clerk at the Ministry for Foreign Affairs via ud.registrator@regeringskansliet.se and request that the matter be examined by the authority through a decision by a government minister. A ministerial decision is required for the matter to be appealed to the Government. The minister may also refer the matter directly to the Government.

Specify which decision you want the authority to examine (the reference number is given at the top of this document) and how you want the decision to be changed.
