**Ämne:** Meeting on DMA with Facebook?

Dear Eva,

I'm leading our policy work for Facebook in the Nordic countries (I think you have had contact with my former colleague Christine Grahn, who has changed jobs now) and we are right now very focused on the coming EU regulation on DMA and DSA. As I understand it, you are responsible for the DMA file and it would be great if you would have time for a meeting (virtuel these days...) where we could exchange on both how Sweden regards the DMA proposal that is now on the table as well as how we approach it and what we think works and what doesn't work.

Any chance you could find 30 or 45 minutes for such a call? In that case I would have one of our DMA/competition experts, Jakob Kucharczyk, join the discussion.

I have attached a brief overview of our initial position on a number of DMA points - but Jakob will be able to go much deeper.

Best,  
Martin Ruby
