Hello - yes, my colleague Marc Pervès and I are looking forward to the call.

I shared the Skype invite with him, and are all set.

Thank you, and speak to you later!

Dear Linn

Ahead of our meeting on 24 November - and in addition to our note already shared on our concerns around the EU Commission's plan for ex-ante regulations for gatekeepers - please find attached our short position on the EU Digital Services Act and also our comprehensive response to the EU Consultation on the DSA.

I hope you and your colleagues find this useful as preparation for our discussion.

With kind regards, and have a good weekend!

Maija

I invited relevant colleagues from the foreign ministry and infrastructure. So far I don't know exactly who will be able to participate.

Super. This worked!

My colleague Marc Pervès, our dossier lead in the Brussels policy team, and I look forward to speaking to you!

Will you be joined by any other colleagues?
